## DECISION

ANR Company, Inc.	:	Coal Lease
3212 South State Street	:	UTU-026583-058261
Salt Lake City, Utah 84115	:	

### Coal Lease Relinquishment Accepted

On November 16, 1992, a relinquishment of the above noted federal coal lease was filed in this office by United States Fuel Company. By letter dated October 15, 2000, the current lessee, ANR Company, Inc., reaffirmed their desire to continue with the relinquishment request.

A determination has been made that the relinquishment of this lease will not impair the public interest, and may be accepted as of November 30, 1992. The Forest Service submitted a memorandum on April 5, 2001 that they had no objections to the relinquishment of this coal lease. The relinquished lease is subject to the continued obligation of the lessee to make payment of all accrued rentals and royalties and to complete the reclamation of the leased lands.

The total number of acres accepted for relinquishment is 1,000.00 acres

This decision may be appealed to the Interior Board of Land Appeals, Office of the Secretary, in accordance with the regulations contained in 43 CFR, Part 4, and the enclosed Form 1842-1. If an appeal is taken, your notice of appeal must be filed in this office (at the above address) within 30 days after receipt of this decision. The appellant has the burden of showing that the decision appealed from is in error.

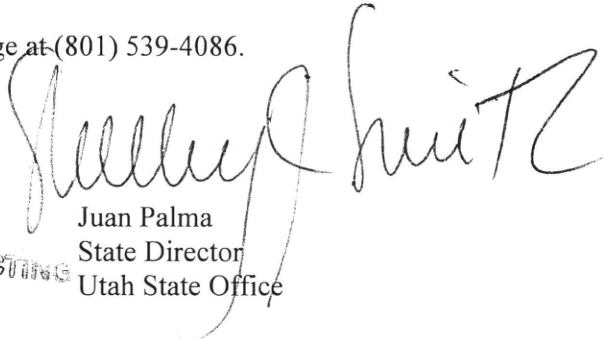

If you wish to file a petition (pursuant to regulation 43 CFR 4.21)(58 FR 4939, January 19, 1993) (request) for a stay (suspension) of the effectiveness of this decision during the time that your appeal is being reviewed by the Board, the petition for a stay must accompany your notice of appeal. A petition for a stay is required to show sufficient justification based on the standards listed below. Copies of the notice of appeal and petition for a stay **must** also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (see 43 CFR 4.413) at the same time the original documents are filed in this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay

Except as otherwise provided by law or other pertinent regulation, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards:

- (1) The relative harm to the parties if the stay is granted or denied,
- (2) The likelihood of the appellant's success on the merits,
- (3) The likelihood of immediate and irreparable harm if the stay is not granted, and
- (4) Whether the public interest favors granting the stay.

If you have further questions, call Bill Buge at (801) 539-4086.
